We will begin a new series June 1 entitled “Called Up.” God desires for us to live UP! His desire for us in Christ is to move up, think up and GROW UP! Lots of people identify as Christians—about one-third of the world, in fact. But calling ourselves “Christian” and actually following Jesus can be two different things. Without even realizing it, we can slip into a faith that’s more about appearances than about a life-changing relationship with Christ. This series will challenge people to confront how they may be practicing a compromised version of Christianity: one in which comfort, convenience, or cultural norms overshadow true faith, obedience, and transformation. Each week, we’ll tackle a different way this can show up in our lives and explore what it looks like to move from shallow faith to a deeper, more committed relationship with Jesus.

Hebrew 10:22-25 - Let us approach God with a sincere heart in full assurance of faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water. <sup>23</sup> Let’s hold firmly to the confession of our hope without wavering, for He who promised is faithful; <sup>24</sup> and let’s consider how to encourage one another in love and good deeds, <sup>25</sup> not abandoning our own meeting together, as is the habit of some people, but encouraging one another; and all the more as you see the day drawing near.

## FLOURISH WOMEN'S MINISTRY

As we wrap up this beautiful season of Flourish, I want to say thank you—from the bottom of my heart—for the joy and honor of leading this ministry. Over the past year, we've explored the many seasons of life and faith: planting, pruning, growing, and blooming. And just like the rhythm of nature, God is leading me into a new season. I'll be stepping away from my role as Leader of Flourish to focus fully on the Children's Ministry, where He's called me to plant and nurture the next generation. This is a bittersweet transition, but I carry with me the beauty, strength, and sisterhood that Flourish has given me. Thank you for walking with me, trusting me, and growing together in grace. I love you all deeply. ~ Kristy Miller
